Term 4 2018 Week 1

Dear families,

Welcome back to Term 4!

We have many special events to look forward to this term, as well as consolidating the year's learning. I also welcome several families to our school community and wish them every success in their new school.

Our Reception transition program for 2019 begins on Monday week 4 of this term and if you, friends or family have children starting school next year, please obtain an enrolment package from our front office as soon as possible. Families with students in other year levels coming to our school in 2019 or leaving please let our front office know as soon as possible.

In this special edition of our newsletter we have included some information from our finance officer, an invitation to attend the opening of our STEM building on Thursday 1<sup>st</sup> November and our working bee on Saturday 20<sup>th</sup> October. We have also included an updated calendar for Term 4.

**All newsletters for Term 4 will now be emailed** (so make sure you let the front office/class teacher know your email address) or they can be accessed via the school website and Skoolbag app.

If you need a paper copy please contact the front office.

Kind regards,  
Sue Wirth  
Principal

## OPENING HOURS FOR FINANCE

Please note the new opening times for the Finance Office. The Finance window will be open for payments in the mornings from 8:30am to 10:30am then again in the afternoons from 2:30pm to 3:30pm.

There are envelopes and slips available on the ledge for you to leave payments for us in the black cash tin, which we will process daily.

Hoanh Bui and Linda Crowder

## Qkr PAYMENT SYSTEM

Modbury West School have now activated the Qkr! phone application, as a swift hassle-free way to make payments & place orders with our school.

It's already live – so you can now place your canteen & uniform orders through the app, pay electronically and not have to worry about sending in cash or trying to find the time to come in to the school! You will find a page of simple instructions with this newsletter. This will also be readily accessible through our School website and Skoolbag.

Soon you will be able to also make other financial transactions, such as school fees and camp payments. Watch this space..... ☺

## SCHOOL BANKING

Assistance needed, our parent who does our school banking every week is no longer able to do it due to work commitments. If you have an hour free one morning a week to do the banking, currently the banking is done on a Tuesday morning, this may be able to change to suit the new person. Please let the front office know if you are able to help. The current parent will show you what is involved.

# Working Bee

# HELP

We need your help! A working bee has been scheduled for Saturday 20<sup>th</sup> October from 10am until 4pm. We are keen to get lots of jobs done around our school including: gardening, shed cleaning and painting, so the school can look it's best for our students.

Please call Linda on 8265 0900 or email: [dl.1210\\_info@schools.sa.edu.au](mailto:dl.1210_info@schools.sa.edu.au) if you could spare some time to help out with little projects around our school, and would like to join the Working Bee Group.

A free BBQ will be offered for all participants and children are welcome.
