

# 2019 District Swimming Carnival

On Thursday 28<sup>th</sup> February, 10 students represented Modbury West School at the annual District Swimming Carnival at Norwood Swimming Centre.

At the carnival, all schools within our district sent students to compete in swimming races, including Freestyle, Breaststroke, Backstroke and Butterfly. The student who comes first in each race are selected into our Adelaide North East District team to race against the rest of the state at the upcoming SAPSASA Swimming Carnival later this month.

Most races are 50m in length, although there was one which was 100m! All our team gave it their best effort, some of our students even finished in 1<sup>st</sup> place, which is a great achievement and should be congratulated by their peers.

Our students showed incredible team work, enthusiasm and sportsmanship. They encouraged each other in every race, they supported each other when they were nervous and thanked their competitors when finished.

Super proud of you team! Well done.

Miss Arnold ☺
