

Improvement plan for Modbury West School

2019 to 2021

School name

Modbury West School

Vision statement

Modbury West is a proud public school where students belong to a community of learners engaged in teaching and learning programs. Students develop confidence to use knowledge and skills in a variety of future-oriented contexts. We take pride in providing a quality learning environment where we build on strengths and develop 21st Century skills to improve the learning outcomes of our students. We have a strong wellbeing and engagement focus in a supportive community, where the natural environment has a positive influence.

Plan summary

This table will be automatically populated to provide a summary of your plan.

Goals	Targets	Challenge of practice
Increase the % of students achieving SEA in Reading particularly at Year 3.	In 2019, 93% of Year 3 students achieve SEA in NAPLAN reading.	If we/teachers use the comprehension strategies outlined in our whole school agreement and aligned to the comprehension best advice papers, from the BIG 6 of reading in years R-3 to understand a text in English, then, we will increase the number of students meeting SEA in NAPLAN reading.
	In 2020, 98% of year 3 students achieve SEA in NAPLAN reading.	
	In 2021, 100% of year 3 students achieve SEA in NAPLAN reading.	
Increase the % of students achieving SEA in Numeracy particularly in year 3.	In 2019 70% of Year 3 students achieving SEA in NAPLAN numeracy.	If we/teachers use our whole school agreement in numeracy and Big Ideas in Number best advice papers to ensure "Trusting the Count" and "Place value" are explicitly taught, assessed and moderated, in particular by year 3, then we will increase students achieving SEA in NAPLAN and PAT M.
	In 2020 80% of year 3 students achieving SEA in NAPLAN numeracy.	
	In 2021 90% of year 3 students achieving SEA in NAPLAN numeracy.	
Increase the number of students achieving SEA in running records particularly in year 1 and 2	In 2019, 80% of year 1 students and 70% of year 2 students achieve SEA in running records .	If we/teachers use "Letters and Sounds", a synthetic phonics program, as a whole school approach to the teaching of phonics as outlined in our whole school agreement and the best advice papers, then we will increase students achieving SEA in reading as measured by running records.
	In 2020, 85% of year 1 students and 75% of year 2 students achieve SEA in running records.	
	In 2021, 90% of year 1 students and 80% of year 2 students achieve SEA in running records.
